

*In order to successfully complete the course and earn contact hours, learners must participate in and complete **all** portions of both the online and in-person components of the training.*

MANDATORY ONLINE TRAINING: *Becoming a Content Expert of Suicide Prevention*

February 9 - May 17, 2020

- The online portion is composed of 6 bi-weekly learning modules, with Module assignments due every two weeks. All learning Modules and assignments are mandatory. *
- Coursework includes articles, viewing and submitting videos, case studies, discussion board and group discussion posts, group work, and module quizzes.
- To progress successfully through this course, each online Module must be completed before the learner may advance to the next Module.
- Readings and activities are estimated to require **2-3 hours of your time per week.**
- APNA holds the copyright for all course materials. Materials may not be copied or shared without the written permission of APNA.

**Late or Missed Assignments and Activities*

APNA understands that emergency situations arise that may cause an occasional late or missed assignment. The learner will need to contact the course faculty in order to coordinate submitting the assignment as soon as possible. Frequent late or missed assignments and activities may result in the need to withdraw from this course. APNA will work with the learner to discuss deferring and participating in a future opportunity for facilitator training.
